

ELECTRIC MOTOR, EMERGING FROM EAST BOUND TUBE UNDER DETROIT RIVER  
WITH MICHIGAN CENTRAL TRAIN, DETROIT, MICH.

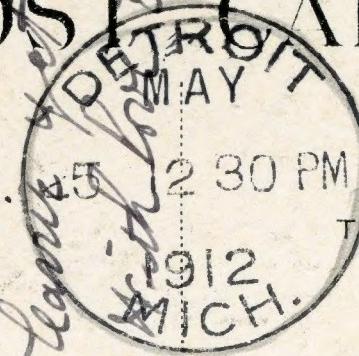

Sat.:

261 Published by the Detroit News Company, Detroit, Mich.

Dear Mother: just a line while  
waiting for Grant & come to breakfast  
We are all well here & have dampy weather  
One expecting Albert MacLean to-morrow  
Have our garden mostly in full bloom &  
getting dampy strawberries here & there  
See Jessie came & took off  
only had one letter from Laponite  
Yours ever Mother dear
